

### Writing Challenge

Use your skills and knowledge from last term to write a Tanka poem on the topic of your choice eg Winter, electricity or the Anglo-Saxons. Remember to use the syllable pattern (5,7,5,7,7).

### Maths Challenge

Write down the division facts for the 3, 6, 7 and 9 times tables. See how fast you can write them all down correctly! Prove each of your facts are correct by writing the inverse underneath each one.

### Theme Challenge.

Make a fact file about one aspect of every day Anglo-Saxon life, e.g. food and drink, jobs, hobbies, family life, crime and punishment etc.

## Year 4 Home School Challenge

### Anglo-Saxons

### Science Challenge

Make a poster that shows how to be safe around electricity and electrical items in the home.

Complete all of the tasks in the speech bubbles.

Choose 2 or more of the blue tasks to try at home.

**Due in by 10.2.25**

#### Research it!

Find out more about the origin of steel pans and how steel pans are made. Present your information any way you would like to.

#### Cook it!

Based on what you have learnt about Anglo-Saxon food and farming, cook a meal using typical ingredients that they would grow.

#### Make it!

Find pictures of some Anglo-Saxon jewellery online or in a book and create your own piece inspired by what you see.

#### Design it!

Design a board game that uses the players' knowledge of electricity by creating quiz cards for example.
