

As Geographers we will...

identify and compare the physical and human features of Hull and Freetown. We will use maps to locate the two cities and know the countries in which they are located. We will make links with prior learning about human and physical features associated with our local area and farming topics explored earlier in the year and in year 1.

Key Vocabulary

Hull	United Kingdom	Europe
Freetown	Sierra Leone	Africa

As Readers we will...

clarify new words, make predictions, summarise what we have read and ask and answer questions about what we are reading.

We will read with an adult regularly as part of our Read Write Inc. and comprehension sessions and we will also try to read every night at home.

Year 2 – Summer 2024 From Hull to Freetown: exploring two cities

As Scientists we will...

ask questions, investigate and identify the basic needs of animals and notice that animals, including humans, have offspring which grow into adults. We will work scientifically, observing and measuring how different animals, including humans, grow. We will be able to describe the importance of a healthy lifestyle.

As Writers we will...

write an adventure story that is inspired by Anthony Browne's 'Gorilla'. Using this story, we will continue to develop our non-fiction writing by writing a letter. We will build on the spelling, punctuation and grammar previously learnt as well as learning new grammatical features for our writing.

As Mathematicians we will...

explore commutativity, doubling and halving when using our two, five and ten times table to solve problems. We will develop our knowledge of measure through a range of practical tasks exploring capacity, volume and mass. We will continue to develop efficient methods for addition and subtraction of two, two digit numbers.

In RE we will...

explore the key question 'What are the Big Questions?'

In the Arts we will...

design and make a photo frame. We will learn about structures and consider how we can make a structure stiffer, stronger and more stable. We will also investigate the best materials to make our photo frames.

In music we will explore world music by comparing folk songs from Britain and Sierra Leone.

In Jigsaw we will...

explore the theme 'Changing Me'

In Computing we will...

begin to understand that sequences of commands have an outcome when programming. We will use and modify designs to create our own quiz questions in ScratchJr using blocks of code. We will continue to think about staying safe online.

In PE we will...

participate in a range of challenges where we will compete and cooperate.
