

Writing Challenge

Think about a day out or event you have really enjoyed. Can you write a recount retelling this experience? Remember to write in first person, past tense and include time adverbials.

Maths Challenge

Test your skills in telling the time! Choose one day of your week and make a timetable of the different activities you do. Write the time each activity starts and finishes. Can you draw a clock to show each time too?

Theme Challenge

How many seaside places can you find on a map of the UK? Choose one place to research and write a fact file about it.

Year 3 Home School Challenge

Due in by 12/7/24

Science Challenge

Try the matching activity on the extra sheet. Examine the seeds closely. Which plant will they produce? Next, follow the instructions to plant your own seeds. Send us a photo or sketch a picture in your book of your seedling!

Complete all of the tasks in the speech bubbles.

Choose 2 or more of the blue tasks to try at home.

Research It!

Do you know how to keep safe on the beach? The RNLI try to help us with this. Complete the flag activity to find out how they let us know about beach conditions.

Design It!

Would like to run an ice-cream shop? Using your MFL knowledge from this term, create a poster in French advertising your ice-creams and their prices.

Cook It!

Lots of people enjoy fish and chips when they visit the UK coast. Cook a fish or seafood dish you enjoy and send us a photo!

Create It!

Create a diorama of the physical/human features of a coastline.
