

Writing Challenge

Would you like to go to the moon?

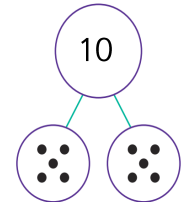

Write a sentence about how you would get there and who you would take with you.

Maths Challenge

Can you write down all of the ways to make ten?

$$2 + 8 = 10$$

Theme Challenge

Can you research a place that you would like to explore and design a poster to share with the class?

Year 1 Home School Challenge

Science Challenge

Draw and label a picture of a pet that you think you could take care of. Write a list of all of the things you would need.

Complete all of the tasks in the speech bubbles.

Choose 2 or more of the blue tasks to try at home.

Make it!

Design and make a new vehicle that you can explore either land, sky or sea with. You can use anything e.g. construction kits, boxes, craft materials etc.

Cook it!

Cook or bake your favourite food to share with an explorer to give them energy for their travels.

Draw it!

Draw a picture of an old sailing ship like one of the ships Christopher Columbus sailed on.

Visit it!

Go for a walk around your local area and count how many different birds there are braving the cold and flying around.
