

Wednesday 2nd March 2022

Dear Parents / Carers

We are writing to let you know there has been a confirmed case of Covid 19 within your child's year group. Your child will not need to isolate unless they develop symptoms. The 3 main Covid symptoms remain a temperature or 37.8 deg or higher; a new continuous cough; a change to or loss of taste and smell.

Your child should continue to attend school unless they develop symptoms of Covid 19 or are unwell. If they do develop symptoms, please keep your child at home and book a PCR test for them.

Should you have any further queries, please do not hesitate to contact us via your year group email or on the school telephone number.

Yours sincerely

Alyson Thompson
Head of School
