

Writing Challenge

If you were Isaac Reckitt, what would you think/feel about owning your own business?

What challenges might you face?

Write a diary entry from his perspective.

Maths Challenge

Create a quiz using your times tables knowledge to test a family member. Remember you need to know the answers to the questions yourself first!

Theme Challenge

Produce an advertising poster for one of Reckitt's products.

Your poster must include a slogan.

There are some example products on the next page for suggestions.

Year 5 Home School Challenge

Hull means business!

Due in by 04/04/22

Science Challenge

Design an experiment to investigate which substances dissolve in water. Think about how you could make it a fair test and record your findings in a table.

Complete all of the tasks in the speech bubbles.

Choose 2 or more of the blue tasks to try at home.

Create it!

Create your own packaging for one of Reckitt's products.

Your design needs to stand out and be eye catching!

Consider it!

Make a list of things you are most grateful for and why.

(You can write or draw them!)

Invent it!

Create a state-of-the-art cleaning device that incorporates Reckitt's products.

You may want to ask your parents what they might find useful.

Move it!

Design a fitness routine for you and your family to follow for a whole week!
