

Jigsaw knowledge and skills progression: Relationships 3-11(12)

Jigsaw, the mindful approach to PSHE is a progressive and spiral scheme of learning. In planning the lessons, Jigsaw PSHE ensures that learning from previous years is revisited and extended, adding new concepts, knowledge and skills, year on year as appropriate. The table below draws out the spiral knowledge and skills progression within the Being Me in My World Puzzle (unit of work) including the key vocabulary used in each year group and suggestions for Family Learning.

Do any of your friends have a family that is different? • What does 'being a good friend' mean? • Who are you good friends? • Who do you / don't you hug? • Who can you ask for help at school? (In the class, in the playground, in the hall) • Can we share a Calm Me time together? • Can we share what we both like best about our family, and what we are grateful for?
<p>Children's breadth of relationships is widened to include people they may find in their school community. They consider their own significant relationships (family, friends and school community) and why these are special and important. As part of the learning on healthy and safe relationships, children learn that touch can be used in kind and unkind ways. This supports later work on safeguarding. Pupils also consider their own personal attributes as a friend, family member and as part of a community, and are encouraged to celebrate these.</p>
