

### As Geographers we will...

Be exploring the origins of settlements. We will be able to identify the different types of settlement and the impact they have on the economy. We will develop our understanding of map reading and be able to explain the meaning of a range of mapping symbols.

We will continue to expand our knowledge of human and physical features and how aspects of these features have changed over time.

### Key Vocabulary

hamlet    nucleated

six-figure grid references

Town    village    Eastings    Northings

### As Readers we will...

Clarify new words, make predictions and summarise what we have read. Ask and answer questions about our class novel. Complete our Reading Journals at home, reading as often as possible.

## Year 4 – Spring 2 2022

### What makes a settlement?

### As Scientists we will...

Gain an understanding of scientific discoveries, linked to electricity, and how these have had implications on science and technology today.

We will perform tests and make observations whilst investigating electricity in everyday life.

Use our understanding to make predictions for the future.

### As Writers we will...

Write our own kenning poems to develop our poetry skills.

Then we will develop our journalistic writing based on the story of The Three Little Pigs.

### As Mathematicians we will...

Further develop our understanding of patterns in the seven times table which will lead us on to explore multiplicative relationships.

Alongside this, we will keep practising all of our timetable facts.

### In PE we will...

Practise our skills and tactics in striking, fielding and competitive games.

### In the Arts we will...

Create bridges in design technology to complete a 3D structure.

Listen to and appraise world music with a focus on traditional Japanese music.

### In Jigsaw and PSHCE we will...

Explore the theme of 'Healthy Me'.

### In RE we will...

Explore people who inspire us.

### In Computing we will...

Use Digimaps to support our geography.

Investigate different ways to use selection and repetition in programming.

Continue to consider how we use the internet safely and respectfully.
